About Me:

Hey there! I'm Bob, a 21-year-old basketball enthusiast who loves to shoot hoops and catch games. When I'm not on the court or cheering for my favorite team, you can find me exploring the world of theatre—there's something magical about live performances! I also have a passion for coding and enjoy building projects that bring ideas to life.

What I'm Looking For:

I'm looking for someone who shares my interests and can keep up with my love for basketball. Whether you're a casual fan or a die-hard supporter, I'd love to catch a game with you! If you enjoy discussing theatre or want to geek out over coding, that's a big plus too!

Fun Facts:

- I can recite lines from my favorite plays.
- I've built a couple of apps that I'm proud of.
- I once made a half-court shot—totally by accident!
